

REMARKS

In the specification, under the Field of Invention, paragraph [1] has been amended to correct a typographical error with respect to the U.S. Provisional Patent Application upon which the present application claims priority. As this Preliminary Amendment is being filed prior to an Official Office Action on the merits, no fee is due. Nevertheless, any apparent fee deficiency should be charged to Deposit Account No. 13-0265.

Respectfully submitted,

McDONALD HOPKINS CO., LPA

Robert C. Baraona, Esq.
